Dear Mayfair,

Four hours into a seven hour car journey and things were getting pretty dull. My wife Tammy and I were driving from the south coast to Scotland to see her family, which we do every year, and the drive is always a pain. We had listened to the radio till we were sick of it, played word games and stopped in several grotty service stations, and we still had hours to kill. We were just travelling through a sprawling midland's town, when Tammy said: "Slow down to about thirty babe, I know what we can do."

Intrigued, I took my foot off the pedal a little and glanced over at her. She was waving frantically to a group of lads on the pavement a little ahead. She must have caught their attention as they all looked our way, and at that exact moment Tammy whipped up her top and flashed her ful-some 36D boobs at them!

The shock on their faces as we shot by was hilarious. She flashed several more blokes that we passed in the next few minutes and we were having a right old giggle, but I was also getting pretty horny thinking about my sexy wife being desired by all these men.

As we pulled out of the town and back on to the motorway, I realised we would have to find a new game, but Tammy was way ahead of me. She had obviously also been turned-on, because she started to run her hands over my chest and nuzzle my lobe, whispering dirty lines into my ear. Her hand slid inside my shirt and caressed my skin, before moving down, further and fur-ther, onto the outside of my trousers, rubbing softly against the head of my now rock hard prick.

I kept a keen eye on the road ahead and tried to concentrate as well as I could as she eased her top off, exposing her beautiful tits fully, and rubbed firmly up and down the length of my prick. I was staying sensibly in the slow lane, taking it gently, and I was glad I was as I felt the zip on my trousers being lowered and her head moving down over my crotch.

I was lucky that the road wasn't busy that day, because I must admit to swerving a little out of lane as I felt Tammy's hot breath over my bell end, and even more when she took my cock in her warm mouth and started to move slowly up and down. The contrast between the world flying by outside the car and the raven-haired head pumping up and down on my dick was incredible, but I knew I had to get off the road and inside her, so I found a layby up ahead and pulled in.

As soon as we pulled to a stop, I was on Tammy like a shot, pulling off her skimpy panties and exposing her well trimmed bush. I manoeuvred myself into the passenger seat and started to pull her towards me. To my surprise, Tammy opened the door and got out!

I watched as she walked round to the front of the car and calmly laid down on the bonnet, legs wide open. I didn't need asking twice and rapidly got out. I moved round to the front and con-fronted the awesome sight of Tammy spread-eagled, her dripping wet cunt waiting just above the grille. I moved forward and thrust my manhood deep inside her and she moaned loudly. It was quiet that day, but cars were still zooming past. We just ignored them and built up a steady, deep rhythm. Tammy was almost screaming each time I pushed into her, her tits wob-bling as she shuddered.

Pulling out and moving her round, I bent her over the car and thrust again deep inside her from behind, pulling her back towards me by her hips, clutching at her hair, our groins bumping to-gether in perfect rhythm. The excitement was building and became too much for me, and I pulled out and spurted hot come all over her firm arse and the car bonnet, oblivious to all the cars passing on the road beside us.

Definitely the best way to break up a boring journey! We have made unscheduled stops all over the UK since then and sometimes we just go out for a nice 'drive' in the country...

Dear Mayfair,

Dear Daisy, I loved the photo shoot of Amber Paige in last month's magazine. I've always had a thing for brunettes with big boobs and fully shaved pussies, so you realyl did tick all of the boxes once again! And it tipped me over the edge when she said that she likes guys spitting on their cocks and directly onto her arse hole so that she can receive anal sex. This girl is the complete woman in my eyes!

Martin, Swansea.

Dear Mayfair,

A big thumbs up for the Tommie Jo cover on Mayfair Volume 58 Number 02. That underwear got me so hard when I saw the front cover I had to wait about ten minutes before reaching up to the top shelf and taking the magazine to the counter to pay for it. It was money well spent, I thoroughly enjoyed her whole experience, over and over again!

Cliff, Petehead.

Dear Mayfair,

Mucking about in the kitchen with my girlfriend Sally the other day, we stumbled upon a really sexy game.

It all started when we were making lunch together and Sally wiped a mayonnaise smeared knife over my arm.

"If it's war you want," I said, "then war you shall have!" and I dug around in the fridge looking for something to smear her in. The first thing I found was strawberry jam, perfect for flicking down her cleavage! I sent a nice dollop across the kitchen and got it, splat, right in the crack of her bosom! Screaming, she pleaded for me to stop and promised she wouldn't get me back and we carried on making lunch side by side. Which is when she opened the fridge, secretly got a couple of fingers full of cream off the top of a trifle and stuffed her hands down the inside of my jogging bottoms, smearing my cock and balls in cold cream.

Only she didn't just slop cream all over my cock and leave it at that, not when she found a nice fat hard on growing in her mucky palm!

I pulled my trousers down and pushed my tongue into Sally's mouth as she wanked my cream covered cock. Quickly, we had gone from mucking about to extremely horny and we tore at each other's clothes.

Moments later, we were both stark naked in the kitchen, so randy that we didn't know what to do with ourselves.

I opened the fridge and scooped out more of the trifle, slapping it onto Sally's gargantuan tits before licking it off, sucking her large nipples into my mouth until they were rock hard and rub-bing the goo all over her norks and down her belly until I had coated her pubes and pussy in oo-dles of cream and custard.

Sally was clearly getting off on this as my fingers slipped inside her hairy pussy with no re-sistance; her closed eyes and wide open mouth said it all. My dick was still covered in cream and I wanted to watch Sally lick it clean. "My cock's so dirty," I whispered into her ear, she knew what I meant.

Dropping to the floor, Sally licked, sucked and nuzzled the mess off my dick as I leaned against the work surface, helping her by moving my cock clear so she could chow down on my cream covered bollocks, loving the sight of my messy cock resting on her hungry face,

the cream spreading across her features. My dick was still covered in cream and I wanted to watch Sally lick it clean. "My cock's so dirty," I whispered into her ear, she knew what I meant.

Dear Mayfair,

Do women really like taking it up the arse? I've always thought that if I didn't like it personally then I wouldn't ever ask anyone else to do it. I have tasted my own spunk and didn't mind that too much (it's just a bit salty) and I've even learned how to suck my own cock (you don't have to have a couple of ribs removed, you just need a reasonably sized cock and a bit of dedication), but the thought of shoving something cock sized up my jacksie leaves me cold. So I can't really expect my girlfriend to let me kick in her back door,

can I?

I cannot for the life of me see how anyone finds getting fucked up the arse even mildly comfort-able, let alone so sexy it makes them come

Serenity

When we first crossed paths with Serenity she couldn't help but tell us all about her sex life, so we were more than interested in catching up during our latest coming together! "I'm still as horny as ever, but I've toned things down a bit. I'm single now and have come to realise that I can satisfy myself all on my own without the annoyance of putting up with a man. It won't last long though, I get bored really quickly!"

like a pot of popcorn on the hob. Just how do you lovely, sexy porn mag ladies do it?

Dear Mayfair,

I consider myself a straight female, but I've always been turned-on by pictures of beautiful, na-ked ladies. When I'm home alone, I finger myself into a frenzy fantasising about the lovely girls in Mayfair. Up until recently though, I never knew what it was like to make love to another woman. Well, last weekend I found out! My friend Becky came round to my flat as our boy-friends had gone for a boy's night out and we thought we'd have a bit of a quiet girlie night in with some wine and chocs. My man had given me a chocolate fondue kit for Christmas and we decided to indulge ourselves.

By the time we'd polished off a bottle of plonk, we were starting to get a bit silly – Becky tipped a load of melted chocolate down my ample cleavage and jokingly began to lick it off. She was giggling at first, but then she started getting a bit more sensual – her hand caressing my right breast, then unbuttoning my top. I was a bit surprised initially, at the both of us, but offered no resistance. A bit like the chocolate, I just melted at her touch.

She moved up to my neck, gently licking and kissing while stroking my rock-hard nipples. I was so excited.

I felt so naughty and turned-on, my panties were getting damper by the second.

After the initial shock had worn off, I started to really get into it.

The advantage to being a woman is you know how to unfasten another woman's clothes! Becky is a gorgeous girl – she could easily be a Mayfair girl – and she always wears the prettiest lacy Italian lingerie, which I wasn't in any hurry to remove. I just wanted to look at her as she lay on my sofa.

It was my turn to pour on the chocolate now, so I dribbled some on her stomach and licked it off. She whipped off her bra and I dripped the warm liquid onto her large breasts. As my tongue darted around her firm, young body, she panted and squirmed with delight. I pulled off her Bra-zilian briefs, which were sticky with her juices, and got down to business, tickling her clit with my tongue as my hands stroked the inside of her thighs. She motioned for me to lie next to her in a sixty-nine position and I reached into my bag for the little battery powered friend I keep with me for horny moments. It was quite hard to focus on pleasuring her when she had her tongue buried in my pussy, but I had practised with the vibrator so often on myself that it was second nature. Within minutes, Becky was bucking like a bronco, while I was doing the same thanks to her. As we came together, we rolled right off the sofa and into a heap on the floor, laughing.

When our boyfriends came through the door and asked us if we'd enjoyed ourselves, Becky and I just looked at each other trying to keep a straight face. We've got another 'naughty night in' planned for next weekend. It certainly beats watching Dancing On Ice!

Dear Mayfair,

I had been seeing my girlfriend Millie for a year or so before I first met her parents.

She was from quite a posh background so we went down to the family house – a big detached place somewhere in Surrey.

We spent the evening with them, had a nice meal, and got on pretty well together. They were nice enough, if a bit straight-laced. Come bedtime, there was no argument about sleeping ar-rangements, we weren't married, so it was off to the spare room for me...

I was expecting a nookie free night, but as we walked up the stairs, Millie brushed past me and whispered, "second door on the left, twenty minutes".

Excitedly, I went up to my room and waited. When I stepped out of the door, the silence was intense. It was a big, old, creaky house, and I tried to guess which floorboard would groan under my weight.

It was so quiet you could hear a mouse fart in a bag of cotton wool.

I reached the door and peered inside. Propped up on a pillow was Millie, naked in the soft light, legs apart, her hand playing round her trimmed, dark thatch. I walked towards the bed and she leapt up and opened my pyjamas, unleashing my stiffening cock and taking it in her

hot mouth immediately. She worked the shaft with her hands expertly whilst sucking hungrily on my bell-end, taking my breath away. All my worries about waking the parents dissolved as I pressed her back onto the bed, fondling her swinging, pink-tipped titties as I got on top of her. Her frigging had got her dripping wet, so as soon as my dick found her hole, it slid right in. Mil-lie made a little squeaking sound as I rammed it in. It was at this point that I remembered that Millie was a pretty loud girl! We had pissed off several sets of neighbours with her screams and moans over the last few months. The pounding was intensifying so my concerns soon evapo-rated, and I flipped her over and enjoyed the sight of her fantastic arse, toned by years of horse riding. I slid back inside as she reached back and stroked my balls, then started a steady frig-ging rhythm on her clit.

She was obviously trying her best, but her whimpering and squealing was getting louder. I was sure that they would hear us, but we were too far gone to care. She reached around and pulled my cock out and up towards her waiting and ready arsehole. With the aid of a generous smear-ing of her juices, I eased inside her tight bum. The tightness was too much and I came with a barely concealed grunt, pumping come deep up her gaping arse. Meanwhile, Millie had frigged herself off and was moaning hard and loud with three fingers inside her sopping cunt, her nois-es only slightly muffled by her hand over her mouth.

After we recovered and cuddled for a bit, I crept back to my room, worrying about the reception we'd get in the morning. I needn't have been concerned.

We were served a hearty breakfast, and I am sure that I caught the odd grin from her mum that morning – dirty old cow!

Dear Mayfair,

Or should I say hello Daisy! I've really enjoyed your last photo shoots, you're one hot girl, your boyfriend is a very lucky man. I'm completely obsessed with your arse. It's so peachy and round. And your arse hole looks so tight. I can't wait to see your photos in the next issue.

Bryan, Beverley.

Tommie Jo

Every time our crack snappers get Tommie Jo in front of a camera, she allows herself to get that little bit ruder than before. “This is definitely my naughtiest shoot yet,” she giggles. “It’s because I’m more confident that I allow myself to relax and that means I get hornier and want to push my limits. Who knows where it will end.”

Sophie

Busty Brummie babe Sophie Parker looks quite at home in the fancy-schmancy lingerie we asked her to get dolled up in for this shoot, doesn't she? But apparently she's not usually one to bother with underwear at all if she can help it… "It's true – generally I prefer to let it all hang out! My boobs aren't saggy, so I don't have to worry about those, and I can't think of anything nicer than feeling a cool breeze blowing up my skirt and onto my shaven snatch when I'm out and about!" Hmm, it certainly sounds pretty enticing to us, but aren't you worried about accidentally flashing your pussy to some unsuspecting fella when you're on the bus or something? "Worried about it? That's half the fun! There's nothing that gets me hornier than the thought that I've given some stranger a boner by showing him my fanny – I haven't chosen to appear in Mayfair by accident, after all!" Ah, yes, we take your point. Well, happy flashing, and men of Brum, be sure to keep 'em peeled!

Blue Angel

If you don't believe in Angels we've got proof that they exist in the form of Blue Angel! "Obviously it's not my real name." She tells us. "I can't even recall how I came up with it, I think it was a drunken night out in a bar with my girls and we got onto the subject of what our porn names would be. They all went on to have proper nine-to-five jobs. I never thought that I would actually use my porn name and earn a living taking my clothes off. Guess who's the happiest out of my group of friends? The one that gets paid for sucking dick or the others who have to push pencils?"

Zafira

Is there a more perfect rear end out there than Zafira Knight's? It's ripe and ready to be penetrated but which hole is her favourite destination? "My arse hole seems to be quite a lot tighter than most girls so I've really got to be in the right mood for anal sex. But if the time is right it's the best feeling ever and I can cum over and over again, I never want it to stop. I quite like having a thumb in my bumb too when I'm being fucked in the pussy doggy style in the pussy and a good licking around my rim is always appreciated when a guy goes down on me!" We're glad that you've opened up and shared this with us, no doubt our readers will be delighted too!

Daisy May

We're not going to bore you too much with lots words because Daisy May's photos speak volumes! "Since I started posing for you guys I get such a huge kick thinking about all of those men and women out there looking at my naked body and getting turned on by me, and doing all sorts of things to themselves as a result. I can't wait to appear in next month's magazines."

Zena

Ask the average guy what images the term 'Mrs Mop' conjures up, and few would suggest a sexy long-haired blonde with a voluptuous 34-23-34 figure. Yet that is precisely how Zena Partridge earns a living! And if you live in Bedford you might be lucky enough to be already enjoying her services. 'I do general horrible cleaning jobs at private houses. It's good exercise running around all day, and I cycle from job to job,' says Zena, 24. And the work does have its exciting moments. Born in Aldeburgh, Suffolk, Zena attended Reydon High School, leaving at 16 and working on a supermarket cheese counter in Southwold. She quit to pursue her main interest in life – Travelling. After hitch-hiking from New York to Los Angeles Zena returned to Britain and moved back to Bedford. 'I have spent two months living in a cave in Greece, and I have also worked on a barbecue on a campsite in Spain,' she said. Zena took up modelling almost by

So I’d like to say a big thank you to anyone who’s written to me. Some of your letters have made so horny I’ve had to get my vibrator out!” You heard it here folk, but tell us more out this vibrator of yours.

Quest.....

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we – and here they are!

E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

Most surprise parties involve a bunch of people jumping out and yelling "Happy Birthday!" at some poor unsuspecting idiot. Mine involved me coming in my front door to find my girlfriend Claire splayed out on the rug by her mate Judy and my ex, Mary, getting her tits sucked and pussy fingered. What's a birthday boy to do but get his dick out and dive in? I love to fuck Claire's permanently juiced-up fanny, but I didn't have the heart to interrupt the frig-fun. It would feel hotter and tighter after she'd cum anyway.

Besides, I'd never turn down a blowjob, and she was telling me to jam my prick in her mouth, deep as I liked.

As she began to suck my helmet, mouth sealed around the ridge, Judy went down on her, lapping at her clit. All the while, she and Mary pulled Claire's pussy open.

And while I'd licked it often enough myself, this was the most tempting it had ever looked, stretched pink and shiny, twitching as her bud got tongue-flicked.

As my cock throbbed in her mouth, Claire switched to jacking me, telling the girls I was ready to cum. They lined up in a row, mouths open and I just let go, spraying them with jizz.

They licked it off each other, becoming a mass of writhing limbs, Judy and Mary sixty-nining now, while Claire just licked and stroked whatever took her fancy! She asked me who I wanted to fuck first. Mary has one of the tightest cunts I've ever fucked, but I'd been wanting to bang Judy for a while now and her arse was already perfectly positioned.

I fed Mary a length of dick and, after a slow, strong suck, she wedged my knob into Judy's snatch. It clamped tight, then pulsed around my shaft – I tried to keep still, to relish this, but the temptation to start pounding her hard was just too much to resist. I fucked that slippery, squeezing tube, skin slapping and balls swinging in a blur, right above Mary's face.

She crawled out from under us, straddled Judy's bum and shoved her own wet slit right in my face. She was so wet I felt like my tongue was going to slide in right down to the root. And as she frigged her own clit, the juices just kept flowing.

> "I flipped over, stuck my arse up in the air and then reached back, powering the vibe into my cunt. I stirred it around, finding the hottest spots, feeling the wetness run down the insides of my thighs."

I had to pause, regain control. But, almost instantly, Claire took the opportunity to start licking and sucking my balls. She knows exactly how to get me shooting my mess, sometimes too fast, so I just went back to fucking Judy instead. Immediately, Claire got in position, so Mary could eat her arse.

It was like having my own private orgy. Three hot women vying for my dick – I knew any time I was hard, I'd immediately get sucked or fucked.

Now I was banging into Judy's twat, my face mashing into Mary's slit so hard and deep I wished I didn't have to breathe. Then I was groaning into it as my nuts bunched up and I shot my load.

I pulled out and Mary backed up so I could carry on eating her. And my cum hardly started dripping out of Judy before Claire was helping herself to it, face first.

They fucked me way beyond my usual limits and, late the next morning when Judy and Mary finally left our place, Claire was ready to go again and grasping at my dick.

I ran my hand over her curves, caressing her arse as she wanked me, and I felt a warm slick of lube. She felt my shaft judder in her hand when I realized she wanted it in the arse. Anal isn't an everyday treat for us, but now we had time to take it slow and easy, for her to savour every inch of my dick penetrating her bum.

I took it slow and steady, grinding her cheeks apart. Then, as my balls seized up, I shot blast after blast of cum deep in her arsehole. I guess I don't need to say it was easily the best birthday surprise I'd ever had.

I love to travel and I'm fine with going on my own, especially now that there are plenty of websites that hook you up with friendly locals who show you the sights and the fun places in town.

On my last trip to Eastern Europe, I hung out with a fit blonde named Frida.

She was extroverted and very tactile, always touching me as we spoke and making eye contact. I just thought it was a cultural thing at first, then realised maybe she was flirting with me.

She'd already said that I could crash at her place, save money on a hotel room, and though I had the option of her sofa, I ended up sharing her big bed so we could talk. For a few minutes we just lay there, then she rolled over to face me and started to stroke my hair. I sighed, and she pecked me on the lips, just testing, so I kissed her back deep, using my tongue.

As she ran her hands over my curves, she hiked up the T-shirt I was wearing and sucked on my tits, getting my nipples hard. Then she crouched over my face. She began to rub her clitoris and, as I saw the juices well up in her slit, I just stuck my fingers out to catch them. I licked them clean, and she smiled, asking if I wanted a proper taste. Then she settled, slowly and gracefully, over my face.

I just took in the turned-on scent of her at first, soft and musky, then I began licking up her wetness. She tasted so sweet, so sexy. I really don't go looking for holiday fucks, but if they find me, I'll relish every touch, every drop of jizz and cunt cream.

Suddenly, she pulled off of me, only to spin around and face my feet. Her cunt sank down on my face again, then I felt her mouth connect with my pussy. She fucked her tongue in like a cock, then rasped it right back out.

I obviously wasn't as experienced with other girls as her, but I tried all the tricks I knew. I sucked her clit, then wet a finger in her pussy before sticking it in her arsehole. My ex was into bum fun, and that would get me cumming so hard I'd shiver all over.

Part of me was hoping Frida would have some toys to play with, but she seemed to be more of a tongues and fingers girl – at least for now. And she was loving what I was doing to her arse, so I dripped more saliva on her, and got three fingers deep inside her bum.

My mouth was frenzied on her clit, her bumhole tightening in waves as she got closer to orgasm. Then, all of a sudden, she came and a load of juices spurted out from her cunt. I never realized you could do that from anal.

Because it took me by surprise the first time, I wanted to see it again.

This time I laid Frida on her back, lights on, and did as she told me, slipping my fingers in her cunt, curving them a certain way until I got exactly the right spot, then circling my other fingers on her swollen clit. I took it slow, just feeling, watching, seeing the ripples of ecstasy spread and run through her entire body.

As her arse bucked off of the bed, her moans became screams, but I held on until, with a loud cry, she shot out a big, wet stream of girl cum. I caught some on my tits, put my mouth ready as I coaxed out one more, then I pulled out my fingers and ate her pussy.

I missed out on sightseeing the next day, though no sight in the world could beat Frida's pretty pink pussy. I suppose it gives me an excuse to return – she says I'm welcome to sleep over anytime. I think I might take her up on the offer.

"I held on until, with a loud cry, she shot out a big, wet stream of girl cum. I caught some on my tits, put my mouth ready as I coaxed out one more, then I pulled out my fingers and ate her pussy."

When Billy and I moved in together, just the two of us with no other flatmates, our sex life got such a boost. We could fuck all over our new flat and make as much noise as we liked. Strange as it sounds, though, I think I kind of missed the buzz of wondering did anyone know, could they hear my moans?

One morning, I called to Billy who found me sprawled out in the hallway, pussy splayed as I sucked on my juice-coated vibrator. I told him I needed a real cock inside of my cunt now, and I wasn't moving until I got one. He was hot, sweaty and hard after a morning workout, and I laid him on the tile to cool down, planting my pussy over his cock. As I rode him, cowgirl style, dangling my big tits over his mouth, I heard someone walk up toward our door. Billy seemed oblivious. "Come on, fuck me harder," I moaned, hoping whoever it was would hear me.

They rang the bell, and Billy froze. I wiggled up against his prick, trying to coax him to thrust again, but he stayed still. Another ring, and I nuzzled his neck, then raised my head and said the caller had gone. This wasn't true, in fact I could just about make out the bloke squinting through a small glass pane set in the door. I didn't know who the fuck he was – still don't – and I really didn't care.

I licked my lips, blew the guy a kiss, a tingle of dirty excitement shooting through my cunt. "Okay, I want to cum all over your cock," I told Billy and started to ride him hard, moaning and gasping dirty talk, letting my tits bounce and slap around freely.

"Slow down," Billy groaned, but I ignored him, riding him till I suddenly came really hard. Soon after, I felt his cock jerk and start to shoot in my hole. I pulled off of him and sprawled back, wanking his prick so that it spunked over my mound, the white ropes melting and sinking into my slit and hole.

He's used to me getting wild when we fuck, so he just slid out from under me, kissed me and said he was taking a shower, if I wanted to

join him. I said I'd be there once I'd cum – I'd already picked up my vibrator. He looked a little confused, like he thought he'd satisfied me already. "I just want to cum again," I said, so he shrugged and walked off.

I winked at the eye peeking through the glass and started to run the vibrator over my naked body, buzzing my nipples stiff before I skimmed it down over my belly.

Then I parted my legs and laid my pussy open with my fingers before using it against my slit. I dipped it in my hole, knowing my voyeur would want to see that – and pounding it deep sensitised me when I pressed it to my clit.

> "Now I was banging into Judy's twat, my face mashing into Mary's slit so hard and deep I wished I didn't have to breathe. Then I was groaning into it as my nuts bunched up and I shot my load."

Immediately, I began to squirm, my hot body shivering with pleasure as it made contact with the tile. My pussy was so wet it was hard to build up friction, then a tension seized hold of my entire fanny, before a wave of pleasure crashed through me.

I was trembling, sighing in ecstasy, but I still wasn't done. I flipped over, stuck my arse up in the air and then reached back, powering the vibe into my cunt. I stirred it around, finding the hottest spots, feeling the wetness run down the insides of my thighs. I could only guess at what the bloke was doing, probably wanking furiously as he watched me fuck myself. Then I shut my eyes, seeing stars as another even stronger orgasm hit. I slid down to lie on my tummy, my vibrator still inside of my pussy, just the last inch or so poking out. That's how Billy found me, breathing heavily, too fucked to move. But a long, slow cunt-licking got me ready again.
